

Join in the 2024-25 Regional WISE Snapshot Preparation Workshop!

What is it?

DPI Customer Services is coming to an area near you to better assist you in preparing for the upcoming snapshot on December 10, 2024. DPI staff will be available at each regional site to answer questions, talk through common issues and topics, and offer hands-on troubleshooting.

Space is limited so if you're interested in attending an in-person regional workshop, please save the date for the option that works best in your schedule.
