

## WISEdata Release Notes: 3/24/20

Title	Description/Comments
<p><b>WDP:</b> New validation message export for warning 7116</p>	<p>We've added a new validation message export to help you identify student records with <a href="#">warning 7116</a>, which applies when no grade has been submitted for non-CTE courses. This export works similarly to the existing export for warning 6770 and can be found on the Exports page in WISEdata Portal.</p>
<p><b>WDP:</b> Select the school year to validate data for with the Queue Import &amp; Validation button</p>	<p>On the Validation Messages page in WISEdata Portal, you can now select the school year to validate data for when you click the Queue Import &amp; Validation button. The validation now applies only to the selected school year, which you can see listed under the Queue Import &amp; Validation button. To change the school year, select a different year in the School Year field above.</p>
<p><b>WDP:</b> Reason Exited Special Education now appears in more places WISEdata Portal</p>	<p>The <a href="#">Reason Exited Special Education</a> data element now appears on the Student Details page and in the API view window for all valid programs.</p>
<p><b>WDP:</b> Revision to validation rule 6509</p>	<p><a href="#">Validation rule 6509</a> now applies only when the student's exit type is ETC (expected transfer/promotion to another school covered by WISEdata).</p>
<p><b>WDP:</b> Revision to validation rules 6575, 6576, 7112, and 7117</p>	<p>Validation rules <a href="#">6575</a>, <a href="#">6576</a>, <a href="#">7112</a>, and <a href="#">7117</a> now check whether a subsequent enrollment for a student has been submitted by any district or school, not just the student's expected transfer district or school.</p>

<b>WDP:</b> Revision to validation rule 6578	<a href="#">Validation rule 6578</a> now only applies when an expected transfer agency has been submitted.
<b>WDP:</b> Revision to validation rule 6719	<a href="#">Validation rule 6719</a> now no longer applies to student records with an exit type of BCA (below compulsory age).
<b>WDP:</b> Bug Fix - Error message 6510 doesn't appear when expected	Previously, validation rule 6510 might not show an error in WISEdata Portal when it should. This issue is now fixed.
<b>WDP:</b> Program panel on the Home page now appears as expected	Previously, the Program panel on the WISEdata Portal Home page didn't appear for Choice schools. This issue is now fixed.
