

## WISEdata Release Notes: 4/20/21

Title	Description/Comments
<b>WDP:</b> New validation rule 7158 to check for primary nighttime residence	We've added <a href="#">validation rule 7158</a> , which throws a warning if a student experiencing homelessness does not have a <a href="#">primary nighttime residence</a> submitted to WISEdata. Refer to the knowledge base article for warning 7158 for more information.
<b>WDP:</b> Update to logic for pre-K age range in validation rule 6712	<a href="#">Validation rule 6712</a> , which throws a warning if a student's age as of Third Friday in September is outside of the expected range for their submitted grade, has been updated with a new age range for pre-K. The age range is now between 3 and 5.
<b>WDP:</b> Bug Fix - SCED code now appears in validation message grid for course-related validations	Previously, the validation message grid did not show the SCED code for course-related validations and the SCED Code column would appear blank. This issue is now fixed.
