

## WISEdata Release Notes: 4/6/21

Title	Description/Comments
<p><b>WDP:</b> Migrant Alerts now appear on the Alerts page in WISEdata Portal</p>	<p>WISEdata Portal now includes a section to notify you of migrant status for student(s) listed on the WISEdash enrollment report. These alerts can be acknowledged to let DPI know that your district or school has received the notification of migrant status. For more information about migrant status for students, refer to the <a href="#">Migrant Status</a> data element page.</p>
<p><b>WDP:</b> New validation error when a discipline incident does not include any students</p>	<p><a href="#">Validation rule 7155</a> has been added. This rule throws an error when a discipline incident has been submitted and does not include any students. Refer to the linked knowledge base article for detailed information.</p>
<p><b>WDP:</b> Validation rule 6798 updated for 20-21 school year</p>	<p><a href="#">Validation rule 6798</a>, which throws a warning if a deprecated course code is submitted, is now updated for the 2020-21 school year and turned on. This rule was previously enabled for the 2018-19 school year.</p>
<p><b>WDP:</b> CTE Participant Export definition updated</p>	<p>The CTE Participant Export's definition in WISEdata Portal has been updated to reflect the criteria for CTE Participant status for the 2020-21 school year.</p>
<p><b>WDP:</b> Bug Fix - CTE Participant status no longer appears as True when attempt status is missing or insufficient</p>	<p>Previously, a student's CTE Participant status could appear as True when the criteria have not been met in WISEdata. This issue is now fixed.</p>
