

WISEdata Release Notes: 5/5/20

Title	Description/Comments
<p>WDP: Data for the 2017-18 school year is no longer viewable in WISEdata Portal</p>	<p>WISE data reporting for the 2017-18 school year is now complete, so this data is no longer available to view in WISEdata Portal.</p>
<p>WDP: Name suffixes now appear in the Name field on the Student Details screen</p>	<p>Previously, if a student had a name suffix in WISEdata associated with their WISEid, it would appear in a separate field on the Student Details screen instead of appearing with their name in the WISEid column. We've updated this screen so that the student's name suffix now appears with their name so it's easier to find.</p>
<p>WDP: Validation rule 6396 now includes a student's name suffix</p>	<p>Validation rule 6396 checks whether a student's name in WISEdata Portal matches the name on the student's WISEid record. This check now includes name suffixes as well.</p>
<p>WDP: CTE concentrator summary validation rules no longer apply to non-primary enrollments</p>	<p>Validation rules that check career education concentrator data now apply only to primary enrollment records. This includes the following validation rules:</p> <ul style="list-style-type: none"> ● 6784 ● 6786 ● 6789 ● 6790 ● 6794 ● 6795 ● 7051
<p>WDP: Bug Fix - WISEdata Portal could show that a student's grade has been submitted when it wasn't</p>	<p>Previously, WISEdata Portal could show that a grade had been submitted for a student</p>

	when no grade was submitted. This issue is now fixed.
