

WISEdata Release Notes: 8/11/20

Title	Description/Comments
<p>WDP: Validation rule 6581 updated for Ed-Fi API v3</p>	<p>We've updated validation rule 6582 to have new logic for version 3, which applies to data from the 2019-20 school year and later. To review the new logic, refer to the linked knowledge base article.</p>
<p>WDP: Update to dropout exports for 2019-20 school year and later</p>	<p>Exports for dropout data do not include data from the 2019-20 school year and later. On the Exports page in WISEdata Portal, the download link for these dropouts has been removed if you are viewing 2019-20 school year or later data. To view dropout data:</p> <ul style="list-style-type: none"> ● Public schools can refer to WISEdash for Districts. ● Choice schools can use the WISEdash Extract for Dropouts, found on the Exports page in WISEdata Portal.
<p>WDP: Bug Fix - Expected Transfer Response column now shows appropriate data</p>	<p>Previously, the Expected Transfer Response column in the Enrollments section of the Student Details page could show only 0. This issue is now fixed.</p>
<p>WDP: Bug Fix - Rule 6581 now throws an error appropriately</p>	<p>Previously, validation rule 6581 could throw an error even if a student's grade is within the expected range for the school. This issue is now fixed.</p>
<p>WDP: Bug Fix - Rule 6510 now throws an error appropriately</p>	<p>Previously, validation rule 6510 could throw an error indicating a student has an invalid transfer agency for a student with a PPP enrollment type. Rule 6510 is not intended to apply to that enrollment type. This issue is now fixed.</p>
