

## WISEdata Release Notes: 8/27/19

Title	Description/Comments
<b>WDP:</b> Info icons now appear for Data Quality page metrics	You can now see explanations of each metric on the Data Quality page by clicking on the new info icon (  ) next to the metric's name.
<b>WDP:</b> Update to Validation Message export	Validation Message exports now have a unique section code for validations related to Student Sections.
<b>WDP:</b> Update to CTE export	CTE participants and CTE concentrators are now split into separate exports so that it's easier to view data on each separate group.
<b>WDP:</b> Updated logic for rule 6474	Validation rule 6474's logic field now correctly states that it runs for all students with a primary enrollment at the school.
<b>WDP:</b> Bug Fix--Long text for validation messages now appears	Previously, we had an issue that caused the long text not to appear for validation messages. This issue is fixed.
<b>WDP:</b> Bug Fix--Rules 6643, 6770, and 6749 now run correctly	Previously, validation rules 6643, 6770, and 6749 had logic errors that could cause them to incorrectly identify records. This issue is fixed and these rules now identify records correctly.
<b>WDP:</b> Bug Fix--Rules 6915 and 6791 now throw for the correct categories of students	Validation rules 6915 and 6791 now appropriately throw only for students in grades 9-12 with a primary enrollment in the school that submitted SCTEPA for that school year.
<b>WDP:</b> Bug Fix--Rules 6794 and 6795 now include non-Carl Perkins districts	Previously, validation rules 6794 and 6795 incorrectly excluded non-Carl Perkins districts. This is now fixed.

<b>WDP:</b> Bug Fix--Rule 6789 now throws correctly	Previously, validation rule 6789 didn't correctly identify program references missing Career Education data. This issue is fixed.
<b>WDP:</b> Bug Fix--Rule 6647 now appears correctly	Previously, validation error 6647 didn't appear in the Student Details section as expected. This issue is fixed.
