

**Release Notes for 6/16/2015 WISEid Production Release (WISEid Core Apps Sprint 86)**

Feature Title	Notes
STAFF: Hotfix Agency Ready for Audit Review button error	Fixed issue where the Agency Ready for Audit Review button would error out.
STAFF: Fix Production Merge Position Area Bug	Fixed issue where some assignments that do not require a license were getting set to required.
STAFF: Hotfix Contract Upload Fault	Fix issues causing the Contract upload fault.
STAFF: Hotfix Manage Data Historical section permissions	Fixed permissions problems granting access to the Historical sections of the Manage Staff Data.
STAFF: Hotfix Modify job to populate Entity to look for anyone with assignment requiring license	Modified the auto job to populate Entity ID from EIO when Assignments requiring a license exist for a person.
STAFF: Create "District Certifications" user screen	Created Sign Off or Certification page with new agency final sign off.
STAFF: Final Snapshot	Ability to make final statewide snapshot with all data staff data captured.
STAFF: All Staff Report	Created the All Staff Report.
STAFF: Validation no teacher, principal or reading specialists	New validation warnings that appear when a district has no teachers, principals or reading specialists.
STAFF: Move upload info messages out of Validate Staff Data	Moved 6304(Entity ID mismatch) and 6303 (merged WISEid) out of the Validate Staff Data into the Download Results files to MessageText column.
STAFF: Assignment and Contract questions not required null instead of 0	Non-required Assignment and Contract questions for an assignment will store as null instead of zero.
STAFF: Contact Info multidistrict access	Changed Contact Info to allow lookup

	of other districts access.
STAFF: BUG - Highest Degree Error 4105 should include alphabets and special characters	Upload issues due to user uploading alphabetic or special characters in the Highest Degree field were resolved by stopping their upload through upload errors.
STAFF: Bug Warning on Dashboard	The bug warning showing up on the dashboard when all Warnings have been acknowledged was removed.
STAFF: Match Review change Educator Number to Entity ID	Last page of the Match Review now says correctly Entity ID.
STAFF: Match Review Complete Local Person ids should only for the agency should be shown.	At end of Match Review the Local IDs shown were all Local Person IDs statewide. Now we limit to currently active hiring agency Local Person IDs.
