

**Release Notes for 10/1/2015 WISEid Production Release (WISEid Core Apps Sprint 94)**

Feature Title	Notes
Info Message 6319 Not working - "NCLB World Language info is not required for this assignment. The default value of null will be applied during the final reporting check off process."	
STAFF: Historical Contract add rows for staff without contracts but with assignments	Now that contracts don't exist for staff with assignments that do not include them when you download the Copy Forward Contracts we have added in artificial contracts for those who do not have them, but had assignments last year so districts can proof person info.
STAFF: NCLB Elementary All Subjects Validation, processing and Naming	When Assignment Code is 53-0808 only show NCLB Elementary Curriculum (All Subjects) . Also show for 53- 0800, 0805, 0810, 0818, 0825, 0830, 0840, 0841, 0869, 0871
STAFF: All Staff Report - Add local assignment fields (3) to all staff report.	Added Local Assignment ID, Local Assignment Title, Local Use to the All Staff Report
BUG: STAFF Contract File "Year of Birth" Validation	If DoB is the input instead of Year of Birth on Contract File Upload, File is stopped but no error is displayed.
STAFF: Validation Warnings Acknowledge on Contracts & Assignment UI Pages	<ul style="list-style-type: none"> <li>• On Assignment and Contract ui pages way to acknowledge each warning individually. OK button.</li> <li>• Make so if Warnings Acknowledged in Validate Staff Data that they don't show up on person UI page.</li> </ul>
STAFF: Alter Total Experience and Local Experience Validation to allow nulls/zeros	
STAFF: Convert Contact Warnings to Errors	Convert warning messages: 6386, 6387, 6388 to errors.
STAFF: Edit Staff view Other Hiring Agency Contracts	Add "Other hiring agency contracts (info only)" section similar to what we do for assignments.

WISEid: Replace 'Alias' with 'Legal and Other Names' - Online Screens
