Release Notes for 11/30/2021

Change to Prevent Timeout Errors with Student Section Export
A message now appears when users download the WISEdata Student Section export reminding users to select a specific school to prevent timeout errors.

Bug Fixes
Bug fixes in this release include:

- Fixed an issue that could cause [validation error 7139](#) to appear when it should not.
- Fixed an issue that could cause [validation error 7169](#) to appear for students in grades 6-8. This error should only apply to students in grades 9-12.
