

## Release Notes for 1/11/2022

### CTE Course Column Added to Staff Section Export

Per LEA request, the Staff Section Export in WISEdata Portal now includes a column that indicates whether the section is a CTE course.

### Bug Fixes

Bug fixes in this release include:

- Fixed an issue in which the Alerts page did not display the School Code or School Name for an alert.
- Fixed an issue that could cause a school's All Students Report Card opt-in status to appear as "Unknown" in WISEdata Portal.
- Fixed an issue that could cause [validation error 7169](#) not to appear when it should.
- Fixed a performance issue that could cause [validation warning 7168](#) to take a long time to evaluate.
