Birth County	Optional, but recommended	Varchar/Text	35	Optional but recommended if person was born in the United States or Puerto Rico. County is defined for the Identification of counties and equivalent areas of the United States, District of Columbia, and Puerto Rico. This field will allow text to be inserted up to 35 characters, but we suggest vendors eventually try to follow options http://www.census.gov/geo/reference/codes/cou.html download the United States CSV file for field COUNTYNAME for the complete list, including Puerto Rico and the insular areas, but ignore other territories. We don't enforce this list because the list changes over time and because vendors may have existing data not exactly as in this list, but we do recommend it. In the WISEid UI, we will auto complete non-enforced data that can be used by the user with county names from this list. Text is restricted to: A-Z, Hyphen, Apostrophe, Period, and Spaces.
Birth Country	Optional, but recommended	Varchar/Text	60	Optional but recommended if person born outside of United States or Puerto Rico. This field will allow text to be inserted up to 60 characters, but we suggest vendors eventually try to follow options at https://www.iso.org/obp/ui/#search/code/ in 'English Short Names' for list of countries. We don't enforce this list because the list changes over time and because vendors may have existing data not exactly as in this list, but we do recommend it. In the WISEid UI, we will auto complete non-enforced data that can be used by the user with country names from this list.
Entity ID	Optional	Numeric	10	DPI-assigned Educator File Identification Number

· Optional field for staff

· Not required for students

· If this field is populated AND the WISEid field is populated, it will be used to generate an informational
message when the Educator's Entity ID is not correctly associated with the given
WISEid record. |
| Local Person ID Key Type | Required | Varchar/Text | 10 | Current valid types include: "Student" or "Staff". If a person is both a student and staff at an agency, there would be a row for each with one set to Student and the other to Staff. |

WISEsecure Role	Optional	Varchar/Text	50	Indicates a person's WISEsecure role, which is connected to the Local Person ID and Email. Allowable values are: Educational Support, Teacher, Special Ed Director/Designee, Principal/Designee, Student, None. Null will convert to "None" role. Access to update this field requires a WISEstaff "Agency Staff Admin" security role in additon to a WISEid role with create/edit ability.
Multiple Birth Indicator	Optional	Varchar/Text	1	Indicates if a person was part of a set from the same birth (twins, triplets, quadruplets, quintuplets, sextuplets, septuplets, octuplets). This field is highly recommended as it will block auto-matching and prevent incorrect auto-matching of siblings with the same birth date and same or similar names. It will also help with determining if a person is part of a multiple birth vs. a duplicate. Valid options are "Y", "N", or null.
