

# Special Education Exit Reason to Enrollment Exit Code Matrix

Use the following Special Education Exit Reasons when the sSEPA End Date corresponds with an Enrollment Exit Date **and the parent/guardian has not revoked consent for special education.**

Enrollment Exit Code	Special Education Exit Reason			Notes
	<i>Continuing in SPED</i>	<i>Transferred to regular education</i>	<i>Exited District</i>	
PCC			X	
BCA			X	
TOS			X	
TNC	X	X		Use 'Continuing in Special Education' if the student has become a parentally-placed private student at a non-Choice private school.  Use 'Transferred to regular education' if the student has begun a home-based education program (home school) or parent/guardian enrolls student in private school and student does not have a service plan.
ETC	X	X	X	If student is continuing in the same district (or district is providing a service plan at a private school) and continuing in Special Education, then use 'Continuing in Special Education'.  If the change in school coincides with the end of special education services, then used 'Transferred to regular education'.  If student is transferring to a new district, use 'Exited district due to enrollment exit code'.
HSC			X	
DE			X	
MA			X	
ODO			X	
TC	X	X	X	If student is continuing in the same district (or district is providing a service plan at a private school) and continuing in Special Education, then use 'Continuing in Special Education'.  If the change in school coincides with the end of special education services, then used 'Transferred to regular education'.  If student is transferring to a new district, use 'Exited district due to enrollment exit code'.
