Leveraging Federal Funds to Support After School Programs

Becky Collins, Emily Holder, Alison Wineberg
Student Services/Prevention and Wellness
Federal Funding Conference 2018
Session Objectives

• Provide an overview of the need for afterschool programs in Wisconsin
• Explore Title funding options that could be used to support afterschool programming
• Share resources helpful in exploring additional funding sources

Poll Everywhere

• Does your school currently run an afterschool program for your students?
• What kinds of funding sources do you use to support the program?
• What are the benefits of afterschool programming?
Does your school currently run an afterschool program for your students?

Yes A
No B

What kinds of funding sources do you use to support the program?
Overview of the Need

- 121,469 children (13%) in Wisconsin participate in an afterschool program, yet 265,984 children (33%) would if one was available.
- In 2014, 13% of Wisconsin's children participated in an afterschool program, compared to 11% in 2009 and 10% in 2004.
- 22% of Wisconsin's children were alone and unsupervised between the hours of 3 and 6 p.m.

America After 3PM, Afterschool Alliance. http://www.afterschoolalliance.org/AA3PM/
Title IV, Part B
21st Century Community Learning Centers (CCLC)

Establish or expand activities in community learning centers that:

(1) Provide opportunities for academic enrichment to help students, particularly students who attend low-performing schools, to meet the challenging State academic standards.

(1) Offer students a broad array of additional services, programs, and activities ... that are designed to reinforce and complement the regular school day.

(1) Offer families of students served by the community learning center opportunities for active and meaningful engagement in their children's education, including opportunities for literacy and related educational development.

21st CCLC Programs in WI

WI DPI currently funds 210+ sites
Grant Competition

- 5-year grant
- Funding dependent on the federal budget allocation
- Competitions held annually
- Link to grant information: https://dpi.wi.gov/sspw/clc/grant-information

Funding Tiers

Funding is based on projected average daily attendance:

<table>
<thead>
<tr>
<th>Average Daily Attendance</th>
<th>Funding Tier</th>
</tr>
</thead>
<tbody>
<tr>
<td>25-40</td>
<td>$80,000</td>
</tr>
<tr>
<td>41-55</td>
<td>$100,000</td>
</tr>
<tr>
<td>56-70</td>
<td>$115,000</td>
</tr>
<tr>
<td>71-85</td>
<td>$130,000</td>
</tr>
<tr>
<td>86 &amp; Up</td>
<td>$145,000 (MAX)</td>
</tr>
</tbody>
</table>
Student Population Requirements & Priorities

Applicants must propose schools that either:

- Are in program improvement status per Title I designation,
  OR
- Have been determined by a LEA to be in need of intervention and support to improve academic achievement and other outcomes, AND
- Enroll students who may be at risk for academic failure, dropping out of school, involvement in criminal or delinquent activities, or who lack strong positive role models

Student Population Requirements & Priorities

- Additionally, applicants must:
  - Propose to serve students primarily attending schools that qualify for schoolwide Title I services (at least 40% FRL)
  - Demonstrate that proposed activities are not accessible to students that would be served, or would expand accessibility to high-quality services

- When possible, DPI will select applicants that contribute to distribution of funds across the state in rural, suburban, and urban communities
### Required Activities

- All program participants must receive **academic enrichment services** that align with state academic standards
- Programs must offer **at least two other allowable activities**
- All grantees must offer **programming for the families of 21st CCLC participants**

### Allowable Activities

Title IV, Part A
Student Supports and Academic Enrichment

1. Provide access to, and opportunities for, a **well-rounded education** for all students (*section 4107*)
2. Improve conditions for learning in order to create a **healthy and safe school environment** (*section 4108*)
3. Provide access to **personalized learning experiences** and **effective use of data/technology** (*section 4109*)

Examples of Allowable Activities
Well-Rounded Education

- Improving access to foreign language, arts, music
- Supporting college/career counseling
- Programming to improve instruction and engagement in STEM
- Promoting access to accelerated learning opportunities
- Strengthening instruction in American history, civics, economics, geography, government education, environmental education
- Supporting activities in social emotional learning (SEL)
### Examples of Allowable Activities

#### Safe and Healthy Students

**Safe & Supportive Schools**
- Preventing bullying/harassment
- Relationship-building skills
- Dropout prevention
- Re-entry programs for justice involved youth
- Child sexual abuse awareness
- Reducing use of exclusionary discipline
- Suicide prevention
- Violence prevention
- Crisis management/conflict resolution
- Preventing human trafficking
- Culturally responsive teaching

**Student Physical/Mental Health**
- Drug and violence prevention
- Health/safety practices in schools and athletics
- School-based health and mental health services
- Healthy, active lifestyle, nutritional education
- Physical activities
- Trauma informed classroom management
- Preventing use of alcohol, tobacco, marijuana
- Chronic disease management

#### Student Physical/Mental Health

- Drug and violence prevention
- Health/safety practices in schools and athletics
- School-based health and mental health services
- Healthy, active lifestyle, nutritional education
- Physical activities
- Trauma informed classroom management
- Preventing use of alcohol, tobacco, marijuana
- Chronic disease management

### Examples of Allowable Activities

#### Effective Use of Technology

- Supporting high quality PD to educators to personalize learning and improve academic achievement
- Building technological capacity and infrastructure
- Carrying out innovative blended learning projects
- Providing students in rural/underserved areas with resources to benefit from high-quality digital learning opportunities
- Delivering specialized or rigorous academic courses using digital learning technologies and assistive technology
