Objectives for Today

- Understand the intent and expectations of Title IV, Part-A (Student Support and Academic Enrichment).
- Explore ways to integrate and maximize funding to address equity and innovation.
- Engage with best practices and example activities to explore how to create a district plan around Title IVA funds.
The Wisconsin Vision

Every Child a Graduate, College & Career Ready

EVERY Student is:
- Academically Prepared
- Socially Competent
- Emotionally Competent

Demonstrated through:
- Knowledge
- Skills
- Habits
Educational equity means that every student has access to the educational resources and rigor they need at the right moment in their education across race, gender, ethnicity, language, disability, sexual orientation, family background and/or family income.

Allowable Activities

Title IVA funds may be used to provide supplemental services and/or supports that address one or more of the priorities of this grant. Funds may be used for, but not limited to the following: direct services, professional development, salaries, and materials/supplies. Districts should coordinate the use of Title IVA funds with other federal, state, and local funds while ensuring that all Title IVA funds are only used to support activities that are in addition to those that the district would otherwise support through the state or local sources.

There are three areas supported under Title IV, Part A, including:

- Well Rounded Educational Opportunities (4107),
- Safe and Healthy Students (4108), and
- Effective Use of Technology (4109).
1. Provide access to, and opportunities for, a well-rounded education for all students (*section 4107*)

2. Improve conditions for learning in order to create a healthy and safe school environment (*section 4108*)

3. Provide access to personalized learning experiences and effective use of data/technology supported with high quality professional learning opportunities (*section 4109*)
Assurances for Title IV, Part A

Prioritize the distribution of funds based on one or more of the following criteria:

• Are among the schools with the greatest needs
• Have the highest percentages or numbers of children counted under section 1124(c)
• Are identified for comprehensive support and improvement
• Are implementing targeted support and improvement plans
• Are identified as a persistently dangerous
Reminders

• Funds are meant to supplant not supplement
  • Implement new programming based on identified need
  • Enhance current programming based on identified need
• Moving innovation and programming forward
  • Leverage other funding sources before using IVA funds
Best Practice

• **Needs Assessment**

Any questions about the purpose and basics of Title IV, Part A Student Support and Academic Enrichment (SSAE Grant)?
Designate a Collaborative Title IVA Team

Who are your cross-district financial and program decision-making teams to connect IVA funding to your strategic goals:

- Superintendent,
- Teaching and Learning,
- Business Office and Financial,
- Instructional Technology,
- Student Services,
- Building Principals
Purposeful Planning Local Title IVA Plan

- Evaluate data on needs assessment and data-driven decision-making practices to align IVA to strategic goals
- Local planning around projects, professional learning opportunities, and instructional resources
- Include business services in aligning WUFAR coding
Braiding of Funding

- What funding sources have shared outcomes?
- What restrictions exist for each source?
- School Safety Example
  - Title IV-A
  - State AODA Prevention Grant
  - School-based Mental Health Services Grant
  - DOJ School Safety Grants
WISEGrants Tips To Connect Finance and Planning

- WUFAR Coding is very generic to allow for flexibility to implement plans
- Leverage instructional technology coding in 4107 and 4108 to support technology integration and avoid 15% cap
- Provide “details” in WISEGrants to help support approval process and our data collection on district uses of IVA funds
## “IDEATION” Process for Innovative Programming

<table>
<thead>
<tr>
<th>Empathize</th>
<th>Define</th>
<th>Ideate</th>
<th>Prototype</th>
<th>Test</th>
</tr>
</thead>
<tbody>
<tr>
<td>Generate an idea aligned and gather inspiration to data or evidence based needs for all students</td>
<td>Assemble your district team to review all funding sources and use of IVA to support supplant programs for all students</td>
<td>Align your plan with WISEGrants WUFAR codes and goals of IVA to submit final proposal</td>
<td>Create implementation plan with your instructional team to support innovative and equitable programming opportunities</td>
<td>Evaluate effectiveness of program related to evidence or data to continue funding and/or expansion of programming</td>
</tr>
