Wisconsin Department of Public Instruction

Funding to Wisconsin

2

Wisconsin Department of Public Instruction

Perkins Funding is Decreasing

3

Program	Year	Amount to DPI
Carl Perkins III	2001-02	\$9,578,298.00
Carl Perkins III	2002-03	\$10,306,520.00
Carl Perkins III	2003-04	\$10,107,006.00
Carl Perkins III	2004-05	\$10,179,533.00
Carl Perkins III	2005-06	\$10,029,106.00
Carl Perkins III	2006-07	\$9,840,431.00
Carl Perkins IV	2007-08	\$9,803,101.00
Carl Perkins IV	2008-09	\$9,607,364.00
Carl Perkins IV	2009-10	\$9,574,023.00
Carl Perkins IV	2010-11	\$9,484,005.00
Carl Perkins IV	2011-12	\$9,315,606.00
Carl Perkins IV	2012-13	\$8,965,258.00
Carl Perkins IV	2013-14	\$8,965,258.00
Carl Perkins IV	2014-15	\$8,965,258.00

Wisconsin Department of Public Instruction

PURPOSE OF THE GRANT

4

- The Carl D. Perkins Career and Technical Education (CTE) Act of 2006 provides an increased focus on the academic achievement of career and technical education (CTE) students, strengthening the connections between secondary and postsecondary education, and improving state and local accountability.
- The purpose of these funds is to develop more fully the academic, career, and technical skills of secondary and postsecondary students who elect to enroll in technical education programs.

Wisconsin Department of Public Instruction

What is CTE?

5

Career and Technical Education (CTE) programs prepare individuals for a wide range of careers that reflect the contemporary workplace.

Wisconsin Department of Public Instruction

Programs of Study

6

In general, Carl Perkins applications are showing how the school district intends to grow CTE Program of Study

Example's of Programs of Study (POS)

Manufacturing

Architecture /Design

Health Occupations

Accounting

Maintenance

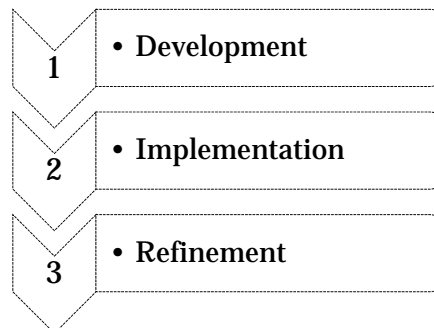

Construction

Wisconsin Department of Public Instruction

WHAT STAGE IS THE POS AT?

7

Wisconsin Department of Public Instruction

DPI FUNDING

8

- Bulk of the funding is sub-granted to school districts
- Formula based on 70% poverty & 30% student enrollment
- Not more than 5% can be used on Administration
- Not less than \$60,000 and not more than \$150,000 shall be available for services that prepare individuals for non-traditional fields
- State correctional institutions

Wisconsin Department of Public Instruction

30% BASED ON STUDENT ENROLLMENT

9

Total Amount Available x 30% = Total available to be evenly divided based upon district enrollment numbers.

Example:

$$\$7,966,484 \times 30\% = \$2,389,945$$

Take the \$2,389,945 and divide by public enrollment total of participating districts (853,401) and this gives us the amount per student (\$2.80).

70% BASED ON POVERTY

10

Total Amount Available x 70% = Total available to be evenly divided based upon poverty count.

Example:

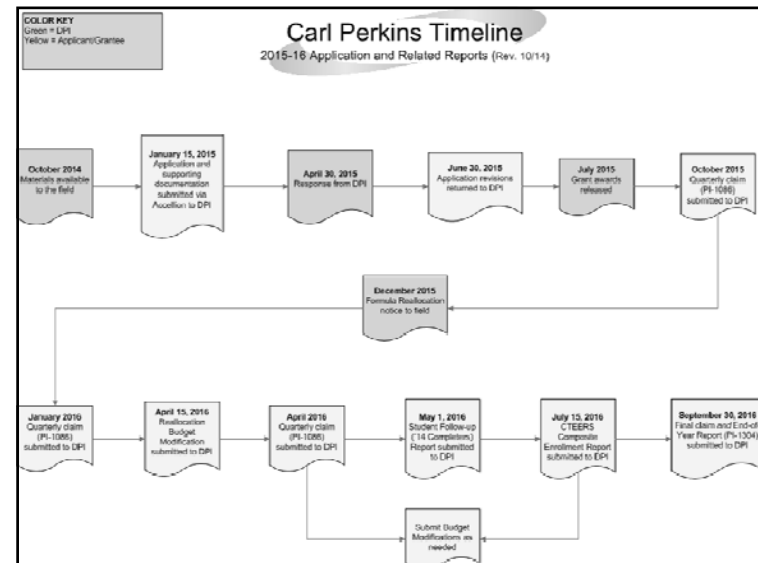

$$\$7,966,484 \times 70\% = \$5,576,539$$

Take the \$5,576,539 and divide by poverty count total of participating districts (153,034) and this gives us the amount per poverty count (\$36.43).

LEA PARTICIPATION

11

- 97% of eligible school districts participate
- 73 Applicants
 - 47 Single district applications
 - 26 Consortium applications

REQUIREMENTS TO SERVE AS A FISCAL AGENT

13

- There is a \$15,001 allocation requirement. If your school district does not meet this minimum allocation, you must join a consortium.
- To serve as a fiscal agent, you must have a licensed CTE coordinator.

ESTABLISHING A CARL PERKINS CONSORTIUM

14

- One of the school districts or a CESA is designated as the fiscal agent for the consortium.
- School districts must enter into a consortium agreement through a Contract for a CESA Services Agreement or a Contract for a 66.03 Agreement.
- A completed contract for one of the participating school districts is included as part of the 2015-16 Carl Perkins Basic Grant Application.

ESTABLISHING A CARL PERKINS CONSORTIUM

15

- The consortium operates for the benefit of all participating school districts.
- Please follow the Consortium Council Guidelines for Carl Perkins found on our website at <http://cte.dpi.wi.gov/sites/default/files/imce/cte/pdf/councilguidelines.pdf>

WHAT EXPENDITURES ARE ALLOWABLE?

16

**Allowable expenditures
are based off five assumptions**

FIVE ASSUMPTIONS

17

Assumption 1:

- The funding is for the purpose of development, implementation, or refinement of Programs of Study.

FIVE ASSUMPTIONS

18

Assumption 2:

- Programs of Study in the implementation or refinement stage are published on the WI Career Pathways Website.

FIVE ASSUMPTIONS

19

Assumption 3:

- The Programs of Study have been identified in your Carl Perkins application.

FIVE ASSUMPTIONS

20

Assumption 4:

- There is no supplanting; therefore the expenditure was not previously funded with local funding.

FIVE ASSUMPTIONS

21

Assumption 5:

- No funds will be used for under seventh grade.

Allowable Expenditures

22

Example:

- Expenditures for appropriately licensed CTE teachers (i.e. salary, fringe, course materials)

Allowable if:

- School Counselors may also be eligible if there is a strong connection with Programs of Study AND meets the five assumptions

Allowable Expenditures

23

Example:

- Professional Development (registration, fees, travel)

Allowable if:

- The teacher is an appropriately licensed CTE teacher OR
- Is attending with an appropriately licensed CTE teacher and relevant connection to CTE POS is evident
- Prior approval must be given from DPI for non-CTE licensed teachers (also see note below)

Allowable Expenditures

24

Example:

- Tuition for Youth Options or other dual credit courses through articulation or contractual agreements.

Allowable if:

- District grants credit for the coursework
- Limited to only CTE courses as part of implementing a POS

Allowable Expenditures

25

Example:

- Equipment

Allowable if:

- Follows guidance on Equipment expenditure document

Wisconsin Department of Public Instruction

Allowable Expenditures

26

Example:

- Certifications/training fees

Allowable if:

- Could be applicable for students or teachers
- Is fundamental to implementing the POS

Wisconsin Department of Public Instruction

Allowable Expenditures

27

Example:

- Substitute teachers

Allowable if:

- The sub is used for an appropriately licensed CTE teacher on a CTE related field trip or teacher professional development
- A sub may be used for non-CTE licensed teachers only if they are working with an appropriately licensed CTE teacher and for implementation of a POS

Wisconsin Department of Public Instruction

Allowable Expenditures

28

Example:

- Materials, supplies, and replacement parts

Allowable if:

- Please note, materials, supplies, and replacement parts should make up a limited part of the budget

Wisconsin Department of Public Instruction

Allowable Expenditures

29

Example:

- Transportation

Allowable if:

- For the purpose of relevant field trips, such as business and industry visits (Also See CTSO Expenditures)

Wisconsin Department of Public Instruction

Allowable Expenditures

30

Example:

- Memberships in business, technical, and professional organizations

Allowable if:

- For purpose of professional development for your staff (i.e. local Builders Association)

Wisconsin Department of Public Instruction

Allowable Expenditures

31

Example:

- CTE Summer programs

Allowable if:

- Remember the grant year is July 1 to June 30. This means a summer program would be split between two grant periods.

Wisconsin Department of Public Instruction

Allowable Expenditures

32

Example:

- Career exploring tools

Allowable if:

- Perkins does not have a specific requirement regarding which career exploring tools are used

Wisconsin Department of Public Instruction

CAREER AND TECHNICAL STUDENT ORGANIZATIONS (CTSO)

33

- CTSO expenditures are no longer allowable.
- Please reference U.S. Department of Education non-regulatory guidance.

Wisconsin Department of Public Instruction

ACCOUNTABILITY – CORE INDICATORS

34

- 1S1: Academic Attainment – Reading
- 1S2: Academic Attainment - Mathematics
- 2S1: Technical Skill Attainment
- 3S1: Secondary School Completion
- 4S1: Student Graduation Rates
- 5S1: Secondary Placement
- 6S1: Nontraditional Participation
- 6S2: Nontraditional Completion

Wisconsin Department of Public Instruction

ACCOUNTABILITY REQUIREMENT

35

Note: If a school district misses a core indicator for three years in a row, they must use a portion of their Carl Perkins funding to bring into compliance

Wisconsin Department of Public Instruction

ACCOUNTABILITY - PROCESS

36

State negotiates with Office of Vocational and Adult Education (OVAE) on yearly performance levels for CPA core indicators using the Federal Agreed Upon Performance Levels (FAUPL)

Data is then reported through OVAE Consolidated Annual Performance Report (CAR)

Districts in receipt of CPA funding are informed of their core indicator performance levels by means of the CPA Local District Profile. If they do not meet a core indicator level either through the absolute or progress means, that core indicator must be addressed within the next application cycle.

Wisconsin Department of Public Instruction

ACCOUNTABILITY – IMPROVEMENT

37

If a state or local fails to meet at least 90 percent of a performance level on any of the core indicators – they must develop and implement an improvement plan

If a state or local fails any of the below, funds can be withheld (fully or partially):

- Fails to implement an improvement plan,
- Fails to make any improvement within a year after implementing plan, or
- Fails to meet 90 percent of an indicator 3 years in a row

Withheld funds to be used by State or other eligible recipient to provide services to remedy non-compliance indicators.

Wisconsin Department of Public Instruction

CARL PERKINS FUTURE

38

- Last reauthorization was in 2006 and good for 6 years
- This means that reauthorization expired after our 2012-13 grant year
- Continues to operate according to 2006 guidelines until new reauthorization occurs
- We are currently at the same funding level as we were in 1998
- There is speculation that Carl Perkins may change from a formula grant to competitive
