### Title I School Eligibility Ranking

LEAs serve schools in rank order based on poverty data.

LEAs must service all schools with a poverty rate of 75% or higher.

- ❖ An LEA's poverty average
- ❖ Grade Span Grouping Using the LEA's Poverty Average
- ❖ Grade Span Grouping Using the Grade Span's Poverty Average
- ❖ 35 Percent Rule
- ❖ Fewer than 1,000 Students Exemption
- ❖ Only One School per Grade Span Exemption

### Options to Rank Schools

### Determining Per Pupil Amounts

- Per pupil amounts are determined for *each* school.
- The same per pupil amount can be allocated for each eligible school.
  - Smaller per pupil amounts may be allocated for lower poverty schools.
  - A school *may not* receive a smaller per pupil amount than another school that falls below it in rank order.

## Title I Equitable Services for Private Schools

19

- Private School Amount for Services
  - (Low-income private school students) (the private school student's public attendance area per pupil amount) + the private school's share of reservations subject to equitable participation.
- Title I services are designed to meet the needs of private school students as determined by the consultation.
- Title I services provided by the public school must supplement the private school's educational services. (Similar to a Targeted Assistance School)

## Targeted & Schoolwide Comparison

20

### Targeted Assistance Program

- Supplemental instructional services
- **Specific students** who have been identified as failing
  - Not necessarily low-income students

### Schoolwide Program

- Comprehensive strategies
- **All students**
- Eligible schools must have 40 percent or more poverty

## Common Allowable Costs

21

- Salary and Fringe Benefits of staff providing Title I services
  - Teachers
  - Paraprofessionals
- Contracted costs of staff providing Title I services
- Instructional media and supplies (supplemental)
- Training / Travel for staff providing Title I services

22

## Supplement not Supplant

Title I funds may only be used to **supplement** the instructional program offered in a school.

Title I funds must not **supplant**, i.e. take the place of, other funds from non-Federal sources.

### Three "tests for supplanting"

1. Is the activity or expense required by state or local law or other federal law?
2. Was this activity or expense paid for by local funds in the past?
3. Does the LEA use local funds to provide a service to non-Title I students and Title I funds for the same service to Title I students?

## Other Financial Requirements

23

- Maintenance of Effort
  - To demonstrate state/local effort is maintained
- Comparability Report
  - To demonstrate that LEAs provide comparable state/local resources to Title I schools and Non-Title I schools
- Time and Effort Reports
  - To demonstrate that staff charged to the federal program actually worked on the federal program

## Grant Period & Carryover Policy

24

Fiscal Year: July 1 to June 30

LEA's Allocation\*  
Less than \$50,000

- There is no limit on the amount of funds that can be carried over from year-to-year.

LEA's Allocation\*  
Greater than \$50,000

- LEAs may carryover 15% of the total allocation.
- LEAs must apply for a waiver to carryover more than 15% if the total allocation. This is only allowed once every three years.

\* Allocation plus any TII-A funds transferred to TI-A
